Dear Mr. Gladfelter:

P.M. #230404-4-304

It is our understanding that Paccar, Inc., is seeking bids for the cleanup of the property leased from the Desimones. We also understand that it will be necessary for prospective bidders to enter City Light right of way while inspecting the property.

Please consider this letter a permit for Paccar, its agents, and representatives to enter upon that portion of Seattle City Light transmission line right of way in the southeast quarter of Section 4, Township 23 North, Range 4 East, W.M., King County, Washington, lying between the Duwamish River and West Marginal Place South, for the purpose of inspecting and observing the condition of the Desimone property. All employees, agents, and representatives of Paccar, Inc., entering the City Light right of way must have a copy of this letter in their possession.

If you have any questions, please call me at 625-3394.

Yours, truly,

Stephen E. Hagen, SR/WA
Senior Real Property Agent
